### The Hollywood™

You always hear stories about future celebrities being discovered while sitting or working in some famous hangout on Sunset or Melrose. Well, when this Hollywood™ beauty sits in your venue, there's no doubt, it will draw attention – perhaps even a paparazzi or two! Traditional, warm wood tones, which set the stage for the finest upholstery, are enhanced with a modern flair of exposed metal for drama. Its classic lines provide a natural charm that gives an undeniable aura of silver-screen sophistication, with Flex-back technology and stylish design that make this one a star people will love.
