## The BoardRoom magazine Announces the Winners of its 2015 “Excellence in Achievement” Awards

LAGUNA BEACH, CA (December 1, 2015) – The BoardRoom magazine, the official publication for the Association of Private Club Directors (APCD) and the Distinguished Clubs, is proud to announce the winners of its 17th annual “Excellence in Achievement” awards.

The BoardRoom magazine “Excellence in Achievement” awards are the private club industry’s only awards recognizing the clubs’ business partners.

BoardRoom magazine’s industry peers review and select these outstanding suppliers and consultants, which represent various aspects of course and club operations. Winners, each year, are selected for overall excellence in their respective fields, achievements, innovation, vision for future growth and continued impact on private club operations.

“As private clubs have rebounded in recent years with growing enthusiasm, so have the industry’s many business partners. We have seen an increasing amount of innovation and dedication from recipients of BoardRoom Awards, to the benefit of private clubs. Each award winner is clearly a leader in their industry and we congratulate each and every one of them,” said John Fornaro, publisher of BoardRoom magazine.

The BoardRoom magazine is the only publication of its kind that is designed to educate the board of directors, owners, general managers and department heads of private golf, city, yacht, tennis and country clubs about issues concerning all aspects of the club, golf course management and operations. The magazine is distributed through paid subscriptions to clubs, organizations and businesses throughout the United States, Canada, Europe, Australia and Asia.
