STACKABLE SEATING

2025

MINDFULLY MADE

Gasser has been manufacturing chairs in Youngstown, OH since 1946. We manufacture high-quality chairs while embracing our core values of being respectful, accountable, process-driven, and adaptable. It's a commitment to the things we believe in most...our people and your chair.

SIT DOWN – STAND OUT

Most chairs fill a space. Gasser chairs elevate them. Gorgeous finishes and fine tailoring make Gasser's chairs stand out above the rest. This is why our chairs call many of the most prestigious properties around the world home.

WHAT'S INSIDE MATTERS

Gasser invests the time and resources necessary to make chairs of the highest quality. This commitment requires using premium internal components and a quality assurance program in every step of the process. Add to that industry-leading customer service and it's clear how we maintain long-lasting partnerships.

HAND TRUCKS

STANDARD HAND TRUCK

Gasser Standard Hand Trucks are constructed with a welded assembly of heavy gauge steel tube protected with a durable Powder Coat finish.

HEAVY DUTY HAND TRUCK

This Heavy Duty Hand Truck is designed to tilt back on the rear set of wheels in order to safely transport a stack of chairs with less effort and better efficiency. It is ideal for use when many chairs are being frequently moved.

GANGING BRACKET OPTIONS

Style and design of ganging brackets may change depending on selected model. All options may not fit all models.

RETRACTABLE GANGING BRACKET (GB-2)
Brackets slide under the seat when not required
