gasser

A CHAIRISHED LEGACY

Gasser's legacy began in 1946 with a belief that thoughtful design can change an industry. That foundation has guided us for the last 80 years. Our philosophy is simple: purpose-driven designs with every curve, stitch, and structure crafted to serve both form and function. A legacy, chairished and enduring.

FORGING AHEAD

Founded in Youngstown, OH, with a pioneering spirit and a drive for innovation, Gasser shaped the industry—experimenting with aluminum before it was standard, pushing design and materials further, and setting new expectations for what defines a chair. Today, we're still family owned and still building every chair to order—just as we always have. This is why our chairs call many of the most prestigious properties around the world home.

SIT DOWN. STAND OUT.

Gorgeous finishes and fine tailoring, combined with a commitment to using premium internal components, a stellar quality assurance program, and industry-leading customer service make Gasser chairs stand out above the rest. From elegant casino lounges to high-performance hospitality spaces, Gasser chairs do more than fill a room. They define it.

MADE TO MEET YOUR NEEDS.

Every Gasser chair is built to order, giving you the freedom to create furniture around the specific needs and vision of your project.

Backed by an 80-year legacy, we take pride in solving challenges and collaborating closely with our partners to bring each project to life. Whether you need guidance selecting upholstery and finishes, choosing the right model or base, or developing a completely custom piece, the Gasser team is here to help at every step.

Visit **gasserchair.com** for more information about our history and products, or to contact us about your seating needs.

GASSER GLOSSARY

AMERICAN MADE
This symbol indicates that a series was designed and manufactured entirely in the US

SLOT SEATING

TABLE GAMES SEATING

POKER SEATING

BACCARAT SEATING

SPORTSBOOK SEATING

DEALER SEATING

SEAT HEIGHT (SH)
Measured from floor to top of seat

SEAT WIDTH (SW)
Measured from left to right of seat

SEAT DEPTH (SD)
Measured from front to back of seat

OVERALL HEIGHT (OH)
Measured from floor to top of back

OVERALL WIDTH (OW)
Measured from left to right of entire model including base

OVERALL DEPTH (OD)
Measured from front to back of entire model including base

FLEX BACK ACTION
Backrest tilt that offers adaptive comfort. Standard with powder coat finish; upholstered back plate available.

ECO-FRIENDLY POWDER COAT FINISH
A durable, low-VOC metal finish applied without liquid solvents, helping reduce waste and environmental impact.

PROTECTIVE EDGE
Extruded PVC bumper around the perimeter of the backrest, protecting upholstery.

2-PIECE EASY CHANGE SEAT
Provides ability to quickly replace a damaged seat. Standard with upholstered apron.

MOLDED FOAM
Precision-shaped foam cushions are poured in-house using individual molds and engineered for consistent comfort, support, and long-lasting performance.

gasser GREEN

Gasser's commitment to the environment has been a matter of policy from the very beginning.

As an industry leader of sustainable chair manufacturing, understanding our impact allows us to improve our plan for a carbon neutral future.

In addition to our sustainability practices that have been standard in terms of sourcing, manufacturing, and post-production processes, we have also made conscious strides in sustainability reporting over the past several years.

We are currently working to achieve a Zero Waste Certification through UL 2799 by 2030.

For more information, visit **gasserchair.com/sustainability**.
