gasser

2-PIECE EASY CHANGE SEAT

GASSER CHAIR COMPANY

2-PIECE EASY CHANGE SEAT
KEY FEATURES

Keep your stools on the floor and in the action with Gasser's 2-Piece Easy Change Seat. Designed to minimize downtime, damaged seats can be replaced in minutes by removing just four bolts from the underside of the frame.

- Standard on select Gasser models and available as an option on many more
- Secured with four Grade-5 bolts and locking T-nuts for strength and stability
- Available with exposed protective apron or fully upholstered apron options
